Mr. Bosch joined Insight in February 2008, and has been a part of the IR-26 source removal team since that time. While this is the first site at HPS to which Mr. Bosch has contributed, his efforts here are the culmination of eighteen years of experience as an environmental professional. Mr. Bosch holds bachelor degrees in toxicology and neurology, and a master of science in environmental management. When not enjoying his favorite pastime of relaxing with his wife and two small children, Mr. Bosch plays jazz piano professionally in the Sacramento area.
