## Former NAS Moffett Field Hangar 1 Public Meeting

### ***You're invited to attend the Hangar 1 Public Meeting!***

Join us and provide your comments on the former Naval Air Station Moffett Field Hangar 1 Engineering Evaluation/Cost Analysis (EE/CA). Your oral comments will be recorded by a court recorder for the official record. Written comments also will be accepted at this meeting.

The EE/CA was made available to the public on July 30, 2008 and the Navy is accepting public comments on the EE/CA for a 45-day comment period, ending on September 13, 2008. The EE/CA and the preferred removal action alternative (Alternative 10 – Remove Siding and Coat Exposed Surfaces) will be reviewed at this meeting. After review and consideration of all public input, a decision will be made on the removal action.

**Date:** August 26, 2008  
**Time:** 7:00 to 9:00 p.m.  
**Where:** American Legion Post 564  
2120 Walsh Avenue  
Santa Clara, CA 95050

During the public meeting, you will have the opportunity to provide formal comments for the record on the EE/CA.

#### **For more information about the Moffett Field Environmental Cleanup Program, please contact:**

Mr. Darren Newton, BRAC Environmental Coordinator  
Navy BRAC Program Management Office West  
1455 Frazee Road, Suite 900  
San Diego, CA 92108-4310  
(619) 532-0963 or darren.newton@navy.mil

Ms. Melanie Ault  
Navy BRAC Program Management Office West  
(619) 532-0798 or melanie.ault@navy.mil

*If you are unable to attend this meeting and would like to make public comments on the EE/CA, please address your comments in writing to Mr. Newton via mail or e-mail at the address provided above. All comments must be postmarked during the public comment period, from July 30, 2008 to September 13, 2008.*

*The EE/CA is available for review at the information repository located at the Mountain View City Library, 585 Franklin Street, Mountain View, CA 94041. For an electronic copy of the EE/CA, please visit: [www.bracpmo.navy.mil](http://www.bracpmo.navy.mil) or by contacting Mr. Newton.*

***We look forward to seeing you there!***

### **The Navy invites the community to comment on the Moffett Field Hangar 1 EE/CA**

**SAN DIEGO** – The Navy has prepared an engineering evaluation/cost analysis (EE/CA) for Site 29, also known as Hangar 1, at Former Naval Air Station (NAS) Moffett Field, California. The Hangar 1 siding is contaminated with PCBs which are the regulatory driver for this removal action. Asbestos and lead are also present in interior and exterior Hangar 1 building materials. Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the Navy is obligated to remediate Hangar 1 to protect human health and the environment. The EE/CA identified and evaluated a total of 13 removal action alternatives. The Navy's preferred alternative, as presented in the EE/CA, is Alternative 10 – Remove Siding and Coat Exposed Surfaces. This will involve demolition of interior rooms within the hangar, removal of the corrugated metal siding and roof material from the hangar, and application of a protective epoxy coating on the remaining steel frame.

The Navy invites the community to attend a public meeting to learn more about the background on Hangar 1 and the EE/CA. The public will have the opportunity to provide written and oral comments on the EE/CA; oral comments will be recorded by a court reporter.

**When: August 26, 2008; 7:00 – 9:30 p.m.**

**Location: American Legion Post 564  
2120 Walsh Avenue, Santa Clara, CA 95050**

The Navy is also accepting comments during a 45-day comment period starting July 30, 2008 and ending on September 13, 2008. All comments must be postmarked by September 13, 2008. To review the EE/CA, visit the information repository located at the Mountain View City Library, 585 Franklin Street, Mountain View, CA 94041. For an electronic copy of the EE/CA, please visit: [www.bracpmo.navy.mil](http://www.bracpmo.navy.mil)

For more information about Hangar 1 and the environmental restoration program at NAS Moffett Field, please contact Mr. Darren Newton, Navy BRAC Environmental Coordinator, 1455 Frazee Road, Suite 900, San Diego, CA 92108, (619) 532-0963, or [darren.newton@navy.mil](mailto:darren.newton@navy.mil).
