Dear Mr. Schregardus:

Thank you for your response dated October 29, 2008, to my letter conveying the Advisory Council on Historic Preservation's (ACHP) final comments on the Navy's proposed Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) removal action at Installation Restoration Program Site 29 (Hangar 1) at the former Naval Air Station Moffett Field, California.

We understand the Navy will be taking our final comments into account prior to making a final decision on the selection of a removal action alternative. We look forward to receiving the Navy's substantive response, consistent with Section 110(1) of the National Historic Preservation Act.

Sincerely,

John L. Nau, III
Chairman
