

Naval Air Station South Weymouth, MA Restoration Advisory Board (RAB) Meeting

CHANGE FOR JUNE MEETING!

The June 9, 2011 RAB meeting will be held at NAS South Weymouth. A tour of many active sites at the Base will be conducted in place of the standard RAB meeting agenda items.

Navy will have passenger vans available for the driving tour starting at 6:30. The tour route will drive by the Building 82, the West Gate Landfill, and Building 81 sites. There will be stops at the Solvent Release Area and Rubble Disposal Area, so everyone can get out, walk a bit and see some of the site features.

Please dress accordingly and wear comfortable shoes.

There will be no rain date. The tours will proceed if it is raining.

There will be slide shows and historic photographs of the Base available at the Caretaker Site Office for viewing either before or after your tour. Refreshments will be provided.

Date: Thursday, June 9, 2011

Time: 6:30 – 8:30

Place: CSO, Shea Memorial Drive, NAS South Weymouth

NOTE: So that we can make suitable arrangements for the tour, please let Dave Barney know if you plan to attend at: 617-753-4656 or david.barney@navy.mil, no later than June 3, 2011.
