

NOTICE OF AVAILABILITY
RECORD OF DECISION
SITE 5 FORMER FIRE TRAINING AREA
FORMER NAVAL AIR STATION
JOINT RESERVE BASE WILLOW GROVE
HORSHAM, PENNSYLVANIA

The U.S. Navy announces the signing of the Record of Decision (ROD) for Site 5 (Former Fire Training Area) groundwater at the former Naval Air Station Joint Reserve Base (NAS JRB) Willow Grove in Horsham, Pennsylvania. The ROD documents the selected remedy of the site, which includes: In-situ anaerobic bioremediation of contaminated groundwater; Monitored Natural Attenuation (MNA) of the groundwater plume downgradient of the source area; Implementation of land use controls (LUCs); and long-term groundwater monitoring.

FOR MORE INFORMATION

The ROD may be viewed at the NAS JRB Willow Grove Information Repository located at the Horsham Township Public Library; 435 Babylon Road, Horsham, Pennsylvania 19044-1224 or the Internet at: <http://www.horshamlibrary.org/WillowGroveNASAdminRecord.html>

The ROD may also be found at the Navy's Base Realignment and Closure Program Management Office website at: http://www.bracpmo.navy.mil/basepage.aspx?baseid=79&state=Pennsylvania&name=willow_grove
