**SUBJECT: Uniform Case Closure Letter, Navy Exchange Service Station including Underground Storage Tanks 33 through 40, and Sump 42, Moffett Field Naval Air Station, Mountain View, Santa Clara County Water Board Case No. 43D9026**

Dear Mr. Anderson:

This letter confirms the completion of a site investigation and corrective action for the subject underground storage tanks formerly located at the above-described location. Thank you for your cooperation throughout this investigation. Your willingness and promptness in responding to our inquiries concerning the former underground storage tanks are greatly appreciated.

Based on information in the above-referenced file and with the provision that the information provided to this agency was accurate and representative of site conditions, we find that the site investigation and corrective action carried out at your underground storage tank sites is in compliance with the requirements of subdivisions (a) and (b) of Section 25296.10 of the Health and Safety Code and with corrective action regulations adopted pursuant to Section 25299.3 of the Health and Safety Code and that no further action (NFA) related to the petroleum release(s) at the sites is required.

This notice is issued pursuant to subdivision (g) of Section 25296.10 of the Health and Safety Code. Please contact our offices if you have any questions regarding this matter.

Sincerely,

Bruce H. Wolfe  
Executive Officer
