HPNS UPDATE

Hunters Point Naval Shipyard

AN UPDATE OF
CLEANUP ACHIEVEMENTS

PREPARING FOR TOMORROW

PROGRAM OUTREACH ACHIEVEMENTS: JULY—SEPTEMBER 2015

Overview

The Navy's Community Involvement Plan (CIP) for Hunters Point Naval Shipyard (HPNS) lists several ways for the HPNS cleanup team to reach out to the HPNS community, including quarterly summaries of community involvement achievements and goals for the coming months. This update summarizes the HPNS public involvement activities held between July and September 2015, as well as upcoming activities and documents scheduled for October through December 2015.

Community Poster Session

The HPNS cleanup team held a regularly scheduled meeting using a poster-session format on:

◆ **September 2, 2015**

Bayview Hunters Point YMCA

Topic: Parcel B Cleanup

At the September meeting, five informational posters discussing the cleanup activities on Parcel B at HPNS were displayed around the meeting room. Navy subject matter experts and regulatory officials were available to answer questions and discuss the cleanup of Parcel B with community members. Poster topics included:

1. **Mercury Evaluation Overview** provided an overview of what mercury is, why it is found at Parcel B-2, and steps the Navy is taking to evaluate mercury at Installation Restoration Site 26 (IR-26), a portion of Parcel B-2.
2. **Mercury Evaluation Sites at IR-26** included maps of completed and upcoming field investigations for groundwater. Fieldwork at IR-26 was completed during the summer of 2015.
3. **Long-term Solutions at Parcels B-1 and B-2** described cleanup activities used on the Parcels, including an overview of the contaminants of concern (COCs)

that the Navy is investigating, a description of a typical revetment wall that was constructed along the shoreline, and an overview of land-use controls which will be applied after cleanup is complete.

4. **Cleanup at Parcel B-1** summarized the background and the Navy's cleanup achievements to-date at Parcel B-1.
5. **Cleanup at Parcel B-2** provided background information and a summary of the Navy's cleanup achievements to-date at Parcel B-2.

If you would like a copy of the handouts that accompanied the Parcel B posters, please send an email to info@sfhpn.com or leave a message on the HPNS Info Line at (415) 295-4742.

Documents for Review

The following reports were made available for public review between July and September 2015:

- ◆ Draft Annual Operations and Maintenance Summary Report, Parcel G
- ◆ Final Mercury Evaluation Work Plan and Sampling and Analysis Plan, Parcel B

LOOKING AHEAD: OCTOBER — DECEMBER 2015

(Documents for Review, Continued from page 1)

- ◆ Draft Work Plan and Sampling and Analysis Plan Addendum for RU-C1, C4, C5 and Building 241, Parcel C
- ◆ Final Remedial Action Work Plan—Durable Cover, Parcel C
- ◆ Landfill Gas Monitoring Report for April—June, Parcel E-2

Upcoming Community Event

- ◆ **October 11, 2013—Visitacion Valley Festival**
10:00 a.m. to 3:00 p.m.
Leland Avenue, from Bayshore Blvd. to Alta St.

Upcoming Bus Tour

- ◆ **October 24, 2015**
10:00 a.m. and 1:00 p.m.
Building 101, Hunters Point Naval Shipyard
Topic: General overview of the HPNS parcels and update on cleanup activities

The Navy is planning to hold two bus tours of various cleanup sites at HPNS on **Saturday, October 24, 2015**. This popular guided tour allows members of the community to see the cleanup sites and ask questions of the Navy and regulatory agency representatives. Community members have reported that bus tours are one of the best ways to learn about the cleanup activities at HPNS. *Reservations for the tours are open through October 21, 2015. To request a reservation, you may send an email to info@sfhpn.com or leave a message on the HPNS Information Line at (415) 295-4742.*

For quick access to any of the materials mentioned in this Quarterly Update, send an email to info@sfhpn.com, leave a message on the HPNS Info Line at (415) 295-4742, or visit the Navy's website at www.bracpmo.navy.mil, then click 'BRAC Bases', click on 'California', and then select 'Former NSY Hunters Point'.

Upcoming Community Meeting / Poster

Session ◆ December 7, 2015

5:30 p.m.—7:15 p.m.

SECC, Alex Pitcher, Jr. Room

Topic: To Be Advised

Upcoming Documents for Review

The following Navy documents have recently been released or will be released in the upcoming months. If you are interested in reading one of these documents, visit one of the Document Review Locations listed on Page 1 of this Quarterly Update.

- ◆ Final Work Plan and Sampling and Analysis Plan Addendum for RU-C1, C4, C5 and Building 241, Parcel C
- ◆ Semiannual Groundwater Monitoring Report (1st and 2nd Quarter 2015), Basewide
- ◆ Quarterly Landfill Gas Report (3rd Quarter 2015), Parcel E-2
- ◆ Draft Completion Report, IR-26 Mercury Evaluation, Parcel B
- ◆ Draft IR-03 Pilot Study Technical Memorandum, Parcel E
- ◆ Draft Final Feasibility Study Radiological Addendum, Parcel F
- ◆ Final Remedial Action Work Plan—Nearshore Slurry Wall, Parcel E-2

If you would like to be included on future informational emails about HPNS cleanup activities, please request to join our mailing list by email to info@sfhpn.com or leave a message on the HPNS Info Line at 415-295-4742.

**NAVY BASE REALIGNMENT
AND CLOSURE (BRAC)**

In 1988, the Department of Defense created the Base Realignment and Closure (BRAC) Program to oversee the cleanup and transfer of military bases to public or private groups for redevelopment.

HPNS was added to the BRAC Program in 1988, and the Navy has been working since that time to clean up hazardous wastes created by former shipyard use.

*The HPNS cleanup team includes
the United States Navy,
the United States Environmental Protection Agency,
the California Department of Toxic Substances Control, and
the San Francisco Bay Regional Water Quality Control Board.*
