IMMEDIATE RELEASE

Navy Sets Community Meeting Date to Discuss Details of Pending Radiological Surveys of Homes on Treasure Island

As a follow up to Navy's March 24, 2014 notification to conduct radiological surveys of homes to ensure residents' safety on Treasure Island and its commitment to the protection of public health and the environment, residents are being notified that a Community Meeting will be held May 31, 2014 at Casa de la Vista, Building 271, Treasure Island, San Francisco, Calif., between 10:00 a.m. and 3:00 p.m. This meeting will be an open house format to provide residents up-to-date project information, guidance on how to prepare for the surveys, and an understanding of how the information will be evaluated and used to make decisions. Representatives from the Navy, State of California Department of Toxic Substances Control, California Department of Public Health, San Francisco Department of Public Health and the Treasure Island Development Authority will be present to listen to resident concerns and to provide answers and resources.

Navy, state and local representatives will be available to talk to the media from 9:00 a.m. to 10:00 a.m. It is requested that media respect the residents' time from 10:00 a.m. to 3:00 p.m.
