

We Need Your Assistance – Private Well Water Sampling Process

Additional information can be found online at:
www.secnav.navy.mil/eie/pages/pfc-pfas.aspx

For updates as more information becomes available, visit:
<https://www.bracpmo.navy.mil/sw>

If you have specific questions, please contact the Navy POC at:
david.a.barney@navy.mil or 781-626-0105

Sampling your private well is voluntary.

Sampling Process

- We need the property owner's cooperation to:
 - Make your appointment.
 - Provide well information by completing a questionnaire prior to sampling.
- Team of no more than three qualified professionals.
 - Sampling takes less than an hour.
 - Water sample collected outside from point closest to the well and prior to a treatment system is the preferred location.
 - Water will usually run for no more than 15 minutes prior to sampling.
 - Simple hand-held equipment will be used.
 - Samples will be collected and analyzed according to EPA procedures.
- Property owner will be notified of results within approximately 30 days.
