PUBLIC COMMENT PERIOD**

Proposed Plan

**Former Picnic Pond Stormwater Retention System
Former Naval Air Station Brunswick, Maine**

The Department of the Navy announces the availability for public comment of the Proposed Plan for the Former Picnic Pond Stormwater Retention System at the former Naval Air Station Brunswick, Maine. The plan was prepared as required by the Comprehensive Environmental Response, Compensation, and Liability Act (also known as Superfund). The Former Picnic Pond Stormwater Retention System is located in the northeastern portion of the former base, north of Purinton Road and east of Orion Street. Sediment contamination at the Former Picnic Pond Stormwater Retention System occurred as a result of its historical use as a stormwater retention system to channel and control stormwater drainage on the former base, as well as from the historical use of the Orion Street Skeet Range.

PUBLIC COMMENT PERIOD

The Proposed Plan is available for public review, and comment from October 9 to November 8, 2019. Comments must be submitted in writing and postmarked or e-mailed no later than November 8, 2019. If you have any questions, please contact:

Mr. Paul Burgio
BRAC PMO East
Building 679, Naval Business Center
4911 South Broad Street
Philadelphia, PA 19112-1303
paul.burgio@navy.mil
Phone: 215-897-4903; fax: 215-897-4902

PUBLIC MEETING

On October 23, 2019, the Navy will hold a public meeting at the Curtis Memorial Library located in Brunswick, Maine. From 5:00 to 7:00 pm, Navy staff will be available to explain proposed plan details and answer questions. Thereafter, a formal meeting will begin at 7:00 pm to allow the public a chance to provide comment to the Navy.

FOR MORE INFORMATION

Community input is important to the remedy selection process. The Proposed Plan for the Former Picnic Pond Stormwater Retention System is available at the Information Repository listed below during normal hours of operation:

Curtis Memorial Library
23 Pleasant Street
Brunswick, Maine 04011
