If any action or proceeding shall be begun or defense asserted which may result in an adverse judgment or decree resulting in a loss for which this Company is liable under this policy, notice in writing of such action or proceeding or defense shall be given by the Attorney General to this Company within 90 days after notice of such action or proceeding or defense has been received by the Attorney General; and upon failure to give such notice then all liability of this Company with respect to the defect, claim, lien or encumbrance asserted or enforced in such action or proceeding shall terminate.
